SUMMER TIME EVENTS

Summer is here! School is out! Maybe you've planned a vacation, but there are still weeks your children are unoccupied, or you're planning a "stay"-cation, and you're looking for activities to fill out your family's schedule. Southern Heartland Art Gallery has the perfect solution!

For rising first graders through age 12: **Arty Art Camp** offers two sessions, each with different lesson plans (but the same art skill level). Green Sessions are June 9-12 or July 7-10. Blue Sessions are June 23-26 or July 14-17. All days are from 9:30am to 2:00pm. Children bring a bag lunch which the class will enjoy together picnic-style on the Square (weather permitting) or in the Gallery. Cost is \$165 per child, with a 15% discount for additional children from the same family.

New this year! For young artists from age 7 to 18 who are interested in a 'concentrated' art experience, there's **WildArt Pop-up Camp** on four Fridays: June 13 and 27, and July 11 and 18 from 9:30am to 2:00pm. Artists will focus on one in-depth project. Attendees bring a bag lunch. Cost is \$50 per day.

'Serious Young Artists and Adults' will create with several different mediums and paints including pastel, watercolor, gouache, pigmented inks, acrylic gels and modeling paste, and glazes. "**An Adventure in Mixed Media**" with Elise Hammond will be held two different weeks: Monday to Thursday, June 16-19 and July 21-24 from 9:30am to 2:00pm. Cost is \$75 per day or \$250 for four days.

Grown-ups, you've not been left out! On Fridays from 11-2, our on-going weekly **Community Paint Party** is free and open to the public, and you can bring your supplies and paint with other artists and mentor artist instructor, Linda Pflug.

Saturday evenings, there's **Just Paint on the Square**, where for \$35 per person, including supplies, you and your friends can get together and create a painting to take home.

These summer classes are filling up quickly, so call Southern Heartland Art Gallery today at 770-787-3322 for more information and to reserve your spot!

PLEINE AIRE PAINT OUT

(Photography courtesy of Elise Hammond)

The SHA Pleine Aire Potluck Picnic Paint Out was held at the historic home of Bill and Sue Hodges (Bill, pictured left with guild artist and instructor, Nan McGarity)

The Hodges' home and grounds are a centerpiece of great historic value garnished by the botanical treasures tended by Sue and Bill. They generously share their home for many local events, tour of homes, garden clubs, historical society events, and Christmas tours.

THANK YOU FOR SHARING YOUR HOME!!!

Monte Carlo Party at the Dobbs

One of the live auction items at Monte Carlo was a Cocktail Party for 20, donated by Cathy and Denny Dobbs, and hosted by the Dobbs and Susan & Buddy Adams at the Dobbs family's historic homeplace. Cocktail parties and Dinners are a favorite auction item, where Monte Carlo attendees get together and purchase the event together, with proceeds going to SHA Inc. and the Visual Arts in Newton County. This year's winners were Fred and Harriet Harwell and their invitees. Thanks to Cathy (our guild secretary) and Denny Dobbs for their hospitality and donation of food and drink, and to Susan & Buddy for preparation of food and

Monte Carlo 2014 will be held at the GPTC Event Center on Bob Williams Parkway February 7, 2015.

Please mark your calendars for this year's fundraiser and be thinking of special events and unique auction items like the Dobb's cocktail party.

Thanks again to Susan, Buddy, Cathy and Denny for all their hard work!
